BANKS RESOURCES OVER 7 MILLIONS

COUNTY BOND QUOTA SET AT $50,000

HENRY SIEBMAN WILL DIRECT 1949 DRIVE

The people of Milam County are being asked to invest a total of $50,000 in Series E Savings Bonds during the Treasury Department's "Opportunity Drive," May 16 through June 30.

This quota was announced Saturday by Henry Siebman, county Savings Bonds chairman, after he had received the figure in a letter from Nathan Adams of Dallas, chairman of the Treasury's advisory committee for Texas.

Announcement of quotas for this and all other Texas counties followed a dinner given in Houston Tuesday night by Governor Beauford H. Jester and at which volunteers from all sections of the state were honored for their work in the Savings Bonds program.

The Texas quota in the drive is $36,950,000, and the national quota is $1,040,000,000.

"All quotas, including ours, apply only to the sale of Series E Savings Bonds," the county chairman said. "In this drive we want to place more Savings Bonds in the hands of average people, who, with the proceeds of their thrift, can enjoy opportunities and advantages not otherwise possible. At the same time, by their investments in Savings Bonds, they are helping to manage our national debt in such a way as to more nearly assure a strong economy in this country. The Series E bonds—popularly called the 'people's bonds'—are ideal for individuals."

He said that Series F and G Savings Bonds would be sold as usual throughout the drive, but that their sale would not be counted against the quota. The Series F and G bonds, he explained, are normally preferred by business concerns, organizations and individuals of larger means.

"I urge the people of this county, and all of its communities, to participate in this Opportunity Drive to the full of their ability," he said. "The county Savings Bonds committee can always use citizens who can devote a part of their time to work in the drive, and I invite them to contact me. To others, I sincerely urge that they buy Savings Bonds and, if possible, to do so regularly through the Bond-A-Month plan at their bank. This kind of thrift is the kind that pays dividends to the individual, the community and the nation."

25 DOGS BELIEVED TO HAVE BEEN INFECTED

Cameron's most serious rabies scare in years was reported early Wednesday by Jim McGoldrick, City Marshal, who said that he had just received a report from Dr. Cox, state medical officer.

The report concerned the head of a dog killed several days ago on Nolan street. Dr. Cox advised that the dog had rabies and to warn all people who may have been bitten to report for treatment at once.

Mr. McGoldrick has issued a warning and tells all dog owners to keep their dogs off the streets for 30 days. They will be shot if not taken up.

All Veterinarians will be at home on their places of business Friday morning, April 29 to take care of vaccinations. Dog owners must act at once.

Mr. McGoldrick said that he was certain that the dog he killed had attacked and bitten some 25 dogs in the city. So far as known humans have escaped.

The law requires all dogs to be vaccinated for rabies here. Mr. McGoldrick does not want to destroy anyone's dog but has no alternative unless this warning is heeded.

Mr. and Mrs. Charlie J. Tomek of Camp Hood visited their parents and other relatives in Cameron over the week end.

BUYERS CHOOSY AS THEY SHOP FOR GOODS

WASHINGTON, April 26 — The Commerce Department reported today a "substantial and significant" increase in savings by consumers who last month continued to pick and choose before putting up cash for new goods.

The monthly survey of current business said consumers have more "spendable income" than last year but remain cautious about spending. While the annual rate of personal income dropped off by $2,500,000,000 in February, it said, the $214,500,000,000 figure still was 5 per cent higher than in February 1948 due primarily to lower Federal taxes.

March sales were held at about the January-February dollar volume.

"However, consumer expenditures have risen less than disposable income during the past year, reflecting a substantial and significant increase in current saying by individuals."

Business men, as well as consumers, continued buying "at a cautious rate" during March.

The report also said that:

1. The rise in unemployment was checked in March by a gain of 500,000 employed, chiefly the result of seasonal hirings among trade and service groups. The March jobless figure was 3,200,000.

2. Except for steel and autos, industrial production continued to taper off.

3. Farm and food prices, which declined earlier, have "levelled off" during the past two months but more industrial prices are going down and fewer are rising.

SCOUT FIELD MEET IN ROCKDALE APRIL 29

Parents and friends of Boy Scouts, business men and all other citizens are invited and urged to attend the Annual Milam County Boy Scout Field Meet and Court of Honor, which will be held at Tiger Field in Rockdale Friday, April 29.

Council Officials, Scouts and their leaders from Cameron, Thorndale, Gause, Milano, Sharp and Rockdale will participate in the activities, which will begin at 2:30 p. m.

In the field meet contests will include cooking, fire building and string burning, first aid, fire by friction, fire by flint and steel, knot tying relay, compas, measuring, obstacle relay, three-legged race and O'Grady drill.

Immediately following the field meet the Court of Honor will be held, with C. M. Selman of Rockdale presenting the awards. Refreshments will be served at conclusion of the program.

$140 More Reported For Armory Fund

Four more contributors to the National Guard Armory site fund was reported here Thursday morning by the Chamber of Commerce.

Mrs. C. Titsworth, acting manager in the absence of L. G. Smith, said a new total would be compiled during the day.

The following have contributed since the last published report:

Matula's Cash Grocery	$ 25.00
Fred Lazek	10.00
Ben Kennon	5.00
Southwestern Bell Tel. Co.	100.00

Judge Ed Gunn attended the funeral of G. Bacar held in Rockdale Saturday afternoon. Mr. Bacar was a life long resident of Rockdale and is survived by a wife and one daughter, two grandsons and a number of nephews.

MILANO FARMERS TO FILE ACREAGE REPORT

Farmers in the Milano area of the farm group in Milam county have been advised that the committee will be at the Woodman Hall Friday and Saturday, April 29 and 30 to receive acreage reports on crop lands.

Alva E. Sanders, manager of the AAA, has sent out letters notifying the farmers of that portion of the county that crop acreage reports are to be made on the dates indicated.

The Committee will be at Gause at the old Masonic Hall on Monday, May 2 and Tuesday, May 3. Mr. Sanders in his letter says:

"The report that you make will be used as a basis to establish future allotments for different crops on your farm. Therefore, it is our desire that you carefully show the acreage for each year on each crop as nearly accurate as possible. A separate report must be made on each farm.

"Your County Committee is very interested in having each farmer receive their share of crop allotments for your farm or farms. If your report is not timely filed then you stand a chance of not getting your rightful share of these different alloted crop acreages."

RE-BURIAL FRIENDSHIP THURSDAY APRIL 28

Re-burial services for Pfc. Max L. Shelton will be held at 2:30 p. m. Thursday, April 28 at Friendship with interment in the Friendship cemetery.

The body, recently arrived aboard a memorial ship in an eastern port, was due in Cameron early Thursday and will be taken to the Green Funeral Home where it will remain until 1:30 p. m.

Religious services will be conducted by Rev. Lee Lemons, pastor First Methodist Church, at the Friendship Methodist Church, and full military honors will be accorded by the American Legion Post of Buckholts.

Pfc. Shelton was the son of Mr. and Mrs. J. R. Shelton of Friendship. He was born in the Friendship community on March 21, 1919. He entered military service in July 1944 and reported for training at Camp Wolters and from there went to Fort Meade, Indiana. Shortly thereafter he was moved along with his unit to a port of embarkation for the battle zone in Europe.

Pfc. Shelton was killed in action on April 14, 1945 near Kothen in Germany. He was serving with the 47th Infantry Regiment, a part of the 9th Division attached to the First American Army.

Pfc. Shelton is survived by twin sons, Ronald and Donald of Davilla, his parents of Friendship, five sisters Mrs. W. H. Walker of Buckholts, Mrs. Gus Bross, Colorado, Mrs. W. L. Cryer, Mrs. C. B. Bell and Mrs. R. W. Dennis all of Houston, and J. T. Shelton of Buckholts.

Memorial services were held at Friendship, July 8, 1945.

Dorothy Kirk Assigned Role in Shakespeare Play At College

SAN MARCOS — Dorothy Kirk, student at Southwest Texas State Teachers College from Gause, has been selected by the director of dramatics, James G. Barton, for a supporting role in the College's production of Shakespeare's "The Taming of the Shrew."

The play is tentatively scheduled for presentation May 9 through 12.

Earl Hardcastle of Milano is among the patients in Newton Memorial Hospital for treatment.

ACREAGE REPORT WILL DETERMINE ALLOTMENTS

The farm survey in Milam county to get acreage reports on all producing areas, continues with accelerated pace to get the job done in time.

Alva A. Sanders, manager of the AAA, has announced a full schedule of dates for the coming week.

Farmers in the Clarkson community group are asked to file acreage reports for 1941 and 1945 and from 1945 through 1949. These reports are necessary if the farmer is to share in the benefits of the farm program due to bring allotments by 1950.

A Committee will be in Clarkson at the Skupin store Monday and Tuesday, April 25 and 26; at Briary School Wednesday and Thursday, April 27 and 28. Ben Arnold School Friday and Saturday, April 29 and 30.

Farmers are directed to go to the nearest point of these committee sittings and report their acreages. Saturday, April 30 is the last day.

Mr. Sanders says: The report you give will be used as a basis to establish future allotment for different crops on your farm. Basic crop allowments will not be established for your farm unless you furnish an acreage report. Without acreage allotment you will not be allowed to sell any of the crops without paying a penalty."

A separate report must be made on each farm. Additional forms can be obtained from the AAA office, J. B. Allen or Horace Bozeman.

Coleman's Closing Out Stocks; Sale Is Bargain Event Month

Coleman's Furniture and Hardware Store is staging the big bargain sale of the month this week.

Everything is being sold. Mr. Coleman announces that he is dropping some lines, taking on others and remodeling the store.

The sale opens Saturday, April 30. Some departments are featuring things 50 per cent below wholesale costs and that is some bargain.

It is like old times at the Coleman store this week and all next week until the stocks have been disposed of. Merchandising with a bang this sale sets a new pace in post war value giving and while the stocks in many instances are being sacrificed the necessity of disposing of the goods drives this big firm to make these concessions.

TOTAL RESOURCES OF BANKS OVER 7 MILLION

Bank resources in Cameron reflect the general level of prosperity and economic well being.

According to statements issued by Cameron banks as of April 11 resources total $7,364,387.94. This figure is substantially the amount shown in the statements issued on call for April 12 a year ago.

There has been a slight decline in deposits. Individual deposits are off as well as deposits of banks using the Cameron institutions.

Total deposits shown are $6,898,357.20.

Cameron banks have cash totaling about 5 million seven hundred thousand dollars.

Bank loans total $1,629,384 and this figure is below the statement of a year ago and slightly below the figure for January 1, 1949.

Rockdale State Bank statement as of April 11 shows total resources $3,171,534.92 with total deposits of $2,940,964.31. The bank has loans totaling $942,511.79. The Rockdale bank has cash quickly available $2,229,020.13.

Billy Hanes Given Appointment To U S Naval Academy

Billy Hanes, student at Baylor University, has been given an appointment to United States Naval Academy at Ann Arbor, Michigan and will report for courses on June 1.

Congressman W. R. Poage recently recommended Billy for appointment and this week he came to his home in Cameron to take his first test, including physical examination.

Friends will be glad to know that Billy has passed all his tests and with a fine student record in high school here and with one year of college credits from Baylor University, he has qualified for the Naval Academy.

Billy is the son of Mr. and Mrs. Hanes of Cameron, graduated with the Class of 1948 at Yoe High School and entered Baylor last fall. He was a star half back on the Yoemen team and while he has no ambitions now to make the Naval football team, he does hope to take part in Academy athletics when he has met the time honored conditions laid lown by Naval traditions.

Right now Billy is more interested in mathematics and the courses so necessary to graduate from the Academy. Friends here are very happy to know that he has received the appointment and will follow his career with interest because he is not only a very fine student but an excellent young man.

Captain Gustavus Adolphus Batte, Father of R. L. Batte, Was Postmaster In Cameron In 1852; Archives Disclose Services of Pioneer Here

Gustavus Adolphus Batte, father of R. L. Batte, central Texas industrialist and widely known rancher, was postmaster in Cameron in 1852.

Postoffice Department Archives in Washington disclose that Gustavus A. Batte was postmaster in Cameron from September 27, 1852 until August 8, 1853. This interesting information has been communicated to the Postmaster in Cameron by Arthur H. Leavitt, Acting Chief Division of Postoffice Department Archives.

Official reference to the record is based on research in the department based upon a letter mailed by Mr. Hays on April 19, 1946. At that time Cameron was celebrating its Centennial and history was the central theme of speculation as the old town was brought into retrospect with 100 years of progress.

Mr. Batte who took a leading part in the Centennial program, was helpful in many ways because of his close association with the history of the town and county. For years the Batte family had known that Gustavus Adolphus Batte, had been postmaster in the early days, but had not made any effort to establish the facts from the Washington archives. Mr. Batte in explaining the recipt of the official information said he had enlisted the aid of Mrs. Hays who contacted the Department.

Mr. Batte says his father, named Gustavus Adolphus Batte, was called by his friends Captain G. A. Batte.

Here is the letter, original of which is in the Batte files:

THE NATIONAL ARCHIEVES
Washington 25, D. C.
May 23, 1946

Mr. John R. Hays, Postmaster
Cameron, Texas
My Dear Mr. Hays

"Your letter of April 29, 1946 to the First Assistant Postmaster General regarding the person who served as postmaster at Cameron from September 27, 1852 until August 8, 1853, has been refered to the National Archieves.

"From a careful search of the records relating to the postoffices and a comparison of them with the manuscript journals of the Postmasters General now in the custody of the National Archives, the name of the person serving as postmaster at Cameron, Texas, from September 27, 1852 until August 8, 1853 has been found to be Gustavus A. Batte.

Very truly yours,
ARTHUR H. LEAVITT

NANKING ABANDONED AS TROOPS REACH CITY

NANKING, Saturday, April 23 — This tottering capital of nationalist China was abandoned by its officials and its garrison today as communist troops smashed across the river and reached its gates.

Red troops, apparently cracking the nationalist defense on a wide front, seized broad areas on both sides of the capital.

Best reports here said the latest crossing came from Pukow, across the Yangtze from Nanking. Red veterans were said to have landed near Nanking's railway station, just outside the city's walls.

Looting began in Nanking, from which all high government officials presumably had fled along with the garrison. The city was a no-man's-land, with both soldiers and police withdrawn.

Mobs broke into shops and carried all manner of merchandise to their homes and the countryside.

Dirty and disorganized troops, believed withdrawn from Pukow, streamed through the city.

Among those fleeing the capital were a number of foreigners. They went on the same planes which carried off high government officials including Premier Ho Ying-Chin.

An estimated 100,000 nationalist troops reportedly clogged the roads in disorderly retreat from Nanking. They fled south along four main highways.

In the hour of nationalist China's extremity, "retired" President Chaing Kai-Shek joined in Hangchow yesterday with acting President Li Tsung-Jen in declaring that they were resolved to "fight to the end."

Clarkson Home D Club Met April 7

The Clarkson Home Demonstration Club met at the home of Mrs. Crook, Thursday, April 7 with 12 members present. Also present were the county agent and four visitors, which included a former member, Mrs. Nora Starnes.

The president was in charge of the meeting and opened the meeting with a prayer and the club song. Mrs. Crook had charge of recreation and Mrs. Wimberly won the prize. Roll call was answered with "How I Met My Husband".

Mrs. Moody, County Agent gave an interesting demonstration on making accessories. Sunshine gifts were exchanged.

During the social hour Mrs. Crook served a delicious refreshment plate.

The next regular meeting will be held April 21 with Mrs. George Dodd. Visitors are always welcome. Mrs. Joe Lackey, reporter.

Marion Brewer of Denton visited in Cameron over the week end.

Charles Michalka In Fisher Body Contest Of Craftman's Guild

DETROIT, Mich.—Charles Michalka, 112 S. Nolan has re-enrolled in the annual competition of the Fisher Body Craftsman's Guild and has started the design and construction of a model automobile in hopes of winning a cash award and university scholarship, according to word received at Guild headquarters.

The Cameron youth, who must complete his model by July 1, will enter it first in Texas state competition, which has 14 awards equally divided between the Junior (age 12 through 15) and Senior (16 through 19) age groups. First place in the state brings a $150 award. State winners then compete regionally, and the 40 regional winners receive an expensive-free trip to the Guild convention next August at Detroit where the eight national scholarship winners will be named. The scholarships range from $1,000 to $4,000.

The Craftsman's Guild, an organization for the development of craftsmanship and creative ability among youth, is offering cash awards and university scholarships aggregating $65,000 in the 1949 model car competition.

Warren T. White, Superintendent of Schools, Dallas, serves as a Honorary Judge for the Guild.

FUNERAL SERVICES WILL BE HELD HERE SATURDAY

Armond Pope, 65, widely known resident here was found dead on the roadside beneath the underpass of the Santa Fe Railroad near Rogers around 6 a. m. Friday.

The body was discovered by I. C. Lawson, rural mail carrier, who was on his way to Buckholts for his delivery duties Saturday.

An inquest was held by Justice of the Peace Will Kuzel at Buckholts. Death apparently resulted from natural causes.

Sheriff Carl C. Black made an investigation. The body was brought to Cameron in an ambulance of the Marek-Burns Funeral Home. Sheriff Black said that a physician would be called in to determine the cause of death.

At the office of the sheriff it was said that Pope was seen here Tuesday getting in a car to go to Rogers where he wanted to visit with his old friend, Frank Reed. A check up disclosed that Mr. Reed was not at home.

It was beleived here that Mr. Pope was attempting to return to his home in Cameron. He is believed to have died sometime during Thursday night.

Better known in his home city as "Sonny" Pope, he was the son of the late Dr. Tul A. Pope, pioneer physician in Cameron. In his early days Pope became interested in telegraphy and followed this employment with railroad companies and with telegraph companies.

An ardent baseball fan, Pope followed the game from big league to sand lots and wrote sports for local newspapers for many years.

Surviving are two sisters, Miss Susan Pope of Cameron and Mrs. Alva Pool of New Mexico; one brother Tul A. Pope of Hoyte.

Mr. Pope was born December 23, 1883 in Cameron and had lived here the major portion of his life.

Funeral services will be privately held Saturday, April 23, from the Marek-Burns Funeral Home with interment in Oak Hill cemetery. The family requests that no flowers be sent.

James Robert, little son of Mr. and Mrs. James Gregory is seriously ill at Newton Memorial Hospital.

A. F. Matula of Denton spent the Easter holidays visiting his parents in Cameron.

Hubert Edmondson Is Promoted to Rank of Corporal on Guam

Hubert Edmondson, son of Mr. and Mrs. Hubert Edmondson of Cameron was reecntly promoted from the grade of Private First Class to the grade of Corporal. He is presently a member of the 514th Weather Reconnaissance Squadron (Very Long Range) stationed on the tropical island of Guam.

Corporal Edmondson performs duties as a cook and is responsible for the preparation and serving of all the airmen's meals. Menus are made up more than a week in advance and meals have to be prepared in large quantities, making a cook's duties very important and exacting.

Corporal Edmondson has an occupation that will serve him well either in an Air Force career or in civilian life.

Mr. and Mrs. Leo Wilkerson and daughter, Leola of Austin were welcome visitors in Cameron Easter Sunday, when they visited relatives and friends.

BRITISH WARSHIPS IN BOMBARDMENT OF REDS

SHANGHAI, Thursday, April 21—Twenty-six British sailors were killed and at least 23 wounded by Chinese Communist shelling of two warships on the Yangtze yesterday, a British Naval spokesman said today.

The spokesman for the British Naval attache's office here said 17 men were known killed aboard the British sloop Amethyst, caught in the resurgence of civil war along the great river between Nanking and Shanghai. Twenty of the sloop's crew were wounded.

Nine crewmen of the British destroyer Consort were killed as the ship went to aid the Amethyst, aground on Rose Island, 60 miles downstream from Nanking. Three aboard the Consort were wounded seriously, the spokesman said.

The destroyer carried on a running duel with the shore-based guns along a 50-mile stretch of the river. It is possible the Red runners may have mistaken the British warships for Chinese Nationalist gunboats.

Meanwhile, China's dormant civil war erupted with a furious Communist offensive along more than 400 miles of the vital Yangtze Valley.

The bubble of peace, afloat for three months, had burst. The Reds struck after the government rejected their latest peace offer. This "peace offer" amounted to total surrender.

Nanking, the capital, and Hankow, major supporting base 375 miles to the southwest, seemed the first objectives of Red armies 1,000,000 strong. To meet this shock the Nationalists had possibly 500,000 men.

CARD OF THANKS

To our many friends and neighbors we extend our sincere appreciation for the many acts of kindness and expressions of sympathy shown us during the long illness and at the death of our beloved mother, Mrs. Caroline Burtis.

We are especially grateful for the beautiful floral offerings, to the ladies of the local SPJST Lodge, to the singers, to Dr. Clifford G. Swift and to all those who helped in so many special ways.

ROTARY HOE Controls Weeds in the row

REDUCES HAND HOEING

Quoting Mr. D. L. Jones, superintendent, Texas A & M Experiment Station, Lubbock: "At present, this is practically the only tool that will control weeds in the drill row before close sweep cultivation is possible."

Here are some advantages of the rotary hoe:

1. Uproots weed seedlings in the row; allows topsoil to dry, preventing further weed growth.
2. Works best at high tractor speeds, without damage to cotton or corn plants—up to 60 acres per day.
3. Definitely stimulates young crops.
4. Breaks soil crust, helping crops to come up.

Allis-Chalmers rotary hoes are *front-mounted,* where you can watch them easily without turning your head. You can keep the teeth exactly on the row, getting rid of the weeds that cause the most trouble.

See us right away about an Allis-Chalmers Rotary Hoe for your farm.

DISTRICT CONVENTION THURSDAY APRIL 28

BELTON, April 22—An American Legion district convention in the middle of the week instead of upon a week end will be held here Thursday, April 28, Garland DeLamar, Waco, 11th District Commander, has announced.

The occasion will be the annual Spring convention of the 11th District of the American Legion. The convention will be held in the new $35,000 American Legion home of the local Post No. 56.

Traditionally, American Legion conventions are held upon weekends. Commander DeLamar believes that many Legionnaires can better attend a one day meeting rather than spending a whole weeked in Legion activities. Consequently he has decided to try a short one day convention in the middle of the week.

Registration for the delegates and alternates from the 26 American Legion posts in the 11th congressional district will start at 10 o'clock on the morning of April 28. A conference of American Legion Post officers will be held from 10 to 12 noon.

Two department American Legion officials, Department Adjutant G. Ward Moody of Austin and Department Service Officer Fred Brookman of Waco will attend the conference. The group will recess at noon for two hours. At 2 o'clock in the afternoon separate business meetings of the American Legion and the Auxiliary will be held.

At the afternoon business session new district officers will be elected and delegates to the national American Legion convention, to be held in Philadelphia the latter part of August, will be chosen.

A dinner will be served from 7 to 8 o'clock. The convention will conclude with a dance which will start at 9 o'clock.

Layne Harwell Not Crash Victim; News Report Causes Anxiety

Layne Harwell, son of Mrs. Eula Harwell of Cameron, was not involved in a fatal plane crash late Monday.

Dwain Horwell was killed in a plane crash near San Diego Monday afternoon and the broadcast led many here to believe that Layne Harwell was the victim.

Mrs. Harwell requested this newspaper to assure all Layne's friends here that he is alright. Many telephone calls were placed for Mrs. Harwell Tuesday by anxious friends and relatives. They had heard the radio cast and believed that Layne had been killed in the crash.

Disabled Veterans Thank People For Response To Sale

Disabled Veterans in Cameron representing Sam Tyson Post, have requested this newspaper to express their thanks to the people for their response to the sale of Forget-Me-Nots on last Saturday.

The veterans also thank the girls who gave their time to sell the flowers. The funds realized from the sale of these souvenir flowers, made by veterans, goes to the disabled and their families, it was said by Herbert Nance, member of the post.

Mr. and Mrs. J. W. Hagwood and daughter Mary Lou and Judy and little friend, Cynthia Taylor of Ft. Worth were week end guests of Mr. and Mrs. B. Slocomb last week end.

Mrs. C. G. Moore has returned from a trip to Houston where she visited in the homes of Mr. and Mrs. Robert Conner, Mr. and Mrs. Billie Conner, Mr. and Mrs. Sam Cobb, Mr. and Mrs. Arthur Cobb, Mr. and Mrs. Sam Terry and Mr. and Mrs. Edgar Johnson.

FLOOD WATERS COVERING LOWLANDS ALONG RIVER

Flood crest of Little River was 32.95 at 7 a. m. Tuesday and the stream was still rising.

L. W. Smith, local government weather observer, said that the river was highest since 1945. It has covered the lowlands along the stream for miles and would get higher as more flood waters came in from its tributaries.

Danger of devastation were lessened Tuesday as the Leon River in its upper reaches dropped back into bank. The Lampasas River was not at flood stage and rains were not heavy west of Bell county.

Meanwhile Cameron had another heavy rain Monday night with 1.02 falling. This adds to the 1.44 of Sunday night and a total of 2.46 in the past 48 hours. Cameron has had 21.82 inches of rain since January 1.

There was no immediate sign of a lessening of the rainy weather. Low pressure areas north were sucking in moisture from the Gulf region and warm, humid air was condensing the moisture and there was still prospect of heavy rains.

Mr. Smith said that Little River rose a foot an hour for 11 hours Monday. Under the new gauge flood stage is around 27 feet and the river at noon was around 6 feet over flood stage.

CONVENTION HERE TOLD MORE MONEY NEEDED

Delegates to the Texas HDA meeting here Wednesday were told that the state lags in its devotion to the cause of education springing from the kitchens of the land.

Miss Maurine Hearn, vice director and State Agent of the Texas Extension Service, closed the two day convention for District 17 in which delegates from 17 counties took part.

She made it plain that the whole future of the work may depend on a complete and quick revising of Texas' attitude. She said that Texas is not matching federal funds and money is being turned back because counties will not co-operate in full.

Miss Hearn pointed out that although Home Demonstration Club women have carried their educational program to 200,000 non club women in Texas recently to reach a new high, that actually there are 31 counties in Texas without a Home Demonstration agent.

While Congress has increased funds for Extension work, the Legislature of Texas is taking a short sighted view of the need. "If the state legislature understands in no uncertain terms what we want, we can get it. The level of education in Texas for home makers has been lifted through home demonstration club work," she said.

Mrs. Homer Daniel presented a panel on 4-H work, recreation and marketing as a radio broadcast. Participating where Mrs. M. H. Huckabee of Burnett county, Beverly Garner, 4-H girl of Milam county and Mrs. Jim Jones of Travis county, Mrs. Hubbard Hamilton, Bell county, Mrs. Norman Brister, Lampasas county, Mrs. J. W. Alexander, Walker county, Mrs. Ernest Bleacher, Llano county, and Mrs. Pat Berry, Lampasas county.

Mrs. C. G. Muston of Milam county, expressed appreciation to all who assisted in making the district meeting a success, especially thanking the Cameron and Rockdale florists, the chamber of commerce and courthouse officials, Mrs. Hugh Wimberly, club woman, and Mrs. Moody, Milam county HD agent.

A total of 167 women registered for the meeting, with 44 voting delegates representing the 17 counties.

O. J. Thomas School Club To Give Recital

The Phi-Motus Club, which is an honor Society, will present the O. J. Thomas Club in it's annual recital May 4 at 8 o'clock, in the high school auditorium.

The Choral club will sing some of your favorite songs. Among them are, "Stouthearted Men", "Night And Day", "A Violin Is Singing In The Street", "Three Blind Mice", "Good News", "Climbing Up The Mountains", "The Bells Of St. Mary's" and many others. You will also hear the soloist of the group sing some of the most enjoyable works of the day.

The members of the group have worked hard to make this occasion a memorable one. Your presence will encourage them greatly.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. F. J. Rubac of Buckholts announce the engagement and approaching marriage of their daughter, Lillian Dorothy to Norman Glen Haisler of Austin, son of Mr. and Mrs. W. E. Haisler of Hillsboro formerly of Caldwell. The wedding will take place in July.

WAS RESIDENT MILAM COUNTY FOR 75 YEARS

James Martin Stutts, 82, pioneer and for 75 years a resident if Milam county, died at noon on Monday, April 25 at the home of his daughter Mrs. Ada Pratt near Cameron.

Mr. Stutts had lived in the Marlow and Rice School communities for a long period of time. In more recent years he had been a sandy land farmer but in his early days he was a cowboy, rode the ranges and was a top cow hand. Although he never owned herds he helped to move them on the trails in central Texas and knew well and intimately all the big cow men of the late 70's.

He was one of a choice company of the men who set the stage for an empire but who got little out of it. They were hardy men and carefree and lived in a moving, colorful period of Texas history.

Mr. Stutts, affectionately known as Uncle Jimmie, was born September 28, 1867 in Lauderdale, Alabama the son of pioneers, J. D. Stutts and Elizabeth Hill Stutts also of Alabama. He came to Texas when 7 years old and settled in Milam county where he had resided for three quarters of the century.

Mr. Stutts had been critically ill for days and during the past few months his condition was poor. He had lost his eyesight to a great extent and got about poorly.

Funeral services were held from the chapel of the Green Funeral Home in Cameron at 2:00 p. m. Tuesday, April 26 by Rev. Norman Beaver, pastor North Central Church of Christ, with interment in the Rice cemetery.

Surviving are three daughters and four sons as follows: Mrs. Ada Pratt of Cameron, Mrs. W. D. Doshier of Temple, Mrs. Vernon Goff of Houston; Claude Stutts and Pat Stutts of Kemah, Texas, J. D. Stutts of Houston and Johnnie Stutts of Hockley.

Also surviving are 17 grandchildren and 15 great grandchildren.

Adjudged Insane Man Charged in Bad Check Taken to Hospital

Erle Whitacker was taken to the State Hospital in Austin Wednesday by Sheriff Carl Black.

Whitacher was adjudged insane here recently by a jury in District Court and commited to a state institution.

Whitacker, a war veteran, was under indictment for raising the amount of a check given him.

His home is in Lubbock. He has been in jail here pending efforts to get him located in a Veterans Hospital.

BERLIN BLOCKADE MAY BE LIFTED

The Russian blockade of Berlin may be lifted.

The State Department in Washington said early Tuesday that if the Russian attitude is as represented in published statements by the news agency Tass, there should be no difficulty in now arranging a meeting of the foreign ministers of the big powers.

Russia has indicated she is willing to lift the blockade. The Western Powers have refused to discuss other questions until the blockade is lifted.

President Truman was represented as stating that the change in Russian attitude is acceptable. However, the blockade has not been lifted and this may be another Russian trick.

JOE HAWKINS COMPETES

SAN MARCOS—Joe Hawkins of Cameron, will compete for Southwest Texas State College in the Drake Relays in Des Moines, Iowa, Friday and Saturday, April 29-30.

Hawkins will compete in the 880-yard relay and the high hurdles. The group left San Marcos Tuesday with Coach O. W. Strahan.

CARD OF THANKS

We want to thank our friends and neighbors for their many deeds of kindness shown us at the death of our beloved husband, father and brother, J. C. Jones. To those who sent flowers, messages of condolence or helped us at this time of sorrow, we are deeply grateful.

THE JONES FAMILY.

J. C. JONES IS BURIED LITTLE RIVER APRIL 24

J. C. Jones, 55, native of Milam county, died in Sphon Hospital in Corpus Christi on April 22 from a heart attack.

Mr. Jones was a brother of Bailey Jones of Cameron and Mrs. Robert Glenn of Jones Prairie.

He was a native of Milam county, born at Jones Prairie March 20, 1894. He was the son of the late Mr. and Mrs. Richard (Dick) Jones, early day pioneers for whom the town was named. He had been an automobile dealer since 1918 and had been a resident of Corpus Chrsiti for several years.

The body was returned to Cameron by the Green Funeral Home and services were conducted Sunday, April 24 at 3 p. m. at historic Little River Baptist Church by the pastor Rev. Stanley E. Ray. Interment was made in Little River Cemetery with the Green Funeral Home in Cameron directing arrangements.

Surviving are his widow Mrs. Mamie Jones of Corpus Christi, one daughter, Helen Lee Jones of Denison and one son Billy Charles also of Denison. Three sisters survive as follows: Mrs. P. H. Love of Greenville, Mrs. E. B. Wright of Robstown and Mrs. Robert Glenn of Jones Prairie. Four brothers survive as follows: James H. Jones of Dallas, R. M. Jones of Freeport, Bailey F. Jones of Jones Prairie and Rex B. Jones of Corpus Christi.

Mr. and Mrs. Frank Marino of New York City and Mrs. Dewey Markham and baby of San Angelo were guests of Mr. and Mrs. Joe Luce a few days the past week.

Mrs. E. J. Luce, 88, native Texan, died at her home in Milano Sunday, April 10.

Mrs. Luce had been a resident of Milano for a long period of time. She had been an invalid for years. She became suddenly ill shortly before her death and passed away within a few hours.

Funeral services were held from the Baptist church in Milano on Monday, April 11 with Rev. Matthew Sanderford of Somerville, conducting and interment in the Milano cemetery.

Surviving are two daughters Miss Ann Luce and Mrs. Mattie Paschall of Milano, one son, D. H. Hardcastle of Gause. One son preceded her in death years ago. Six grand children and 3 great grandchildren also survive.

Mrs. Luce, long a resident of the county, is mourned by many friends and neighbors.

CHRISTIAN SCIENCE SERVICES

"Everlasting Punishment" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 1.

The Golden Text is: "Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?" (Romans 6:16).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting" (Galatians 6:8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The sinner makes his own hell by doing evil and the saint his own heaven by doing right" (page 226).

MRS. MARY S. YOUNG IS BURIED AT REAGAN

MARLIN, April 18—Funeral services for Mrs. Mary S. Young, 51, of Reagan, who died here Sunday night, have been scheduled for 4 p. m. today at the Adam Funeral Home chapel.

Little River Bridge Keeps Traffic Lane Open; Senator Vick Gets Our Thanks

If Senator Kyle Vick should chance to drive over the big bridge over Little River to-day he could see at first hand what this causeway means to traffic on Highways 190, 36 and 77.

But for this bridge which Senator Vick sought in the very beginning of his first term, Cameron would be isolated. Waters in Elm Creek had covered only a temporary diversion bridge but there would be no outlet east from Cameron but for the big river bridge, built above flood water hazards.

The old road is under some 6 feet of water and the old bridge would now be partially submerged at its west approach.

The new bridge and viaduct have proven their value in flood time and the stream of traffic over the highways is proof that floods in the future will no longer isolate Cameron

Mr. and Mrs. Ross Posey, Jr., of San Francisco, California and Miss Peggy Posey of Cameron visited friends in Ft. Worth the past Saturday.

Where do we get *the money?*...

During 1948, the Humble Company spent about $138,000,000 to help provide the oil you and other Americans needed in that year of unprecedented demand, and to develop the oil resources which will provide the oil you need not only today, but next year, the year after — 10 or 20 years from now. The 1948 investment by the entire oil industry was approximately 2 billion dollars. That is a lot of money! Where did it come from?

The larger part of it is reinvested profits. In other words, American oil companies have such confidence in the future of their industry in this country that they have plowed their profits back into the business, just as a farmer plows under a good green cover crop.

And for the same reason: the farmer thus assures the continuing fertility of his soil; the oil companies assure the continuing success of their business . . . the security of the jobs of their employees, a continuing supply of oil for your needs, the immediate availability of oil for national emergencies. The major portion of profits made in the oil country stay in the oil country to develop its resources, and to supply a market for its industries. *In the last 10 years, over half of all the profits of oil companies have been reinvested in the business.*

In 1948, Humble's investment in exploration and production was $110,000,000; investments in refining and research and in marketing, plus Humble Pipe Line Company's investment in pipe lines, amounted to about $28,000,000. ***All this money came from earnings retained in the business.***

NEW STIMULUS SEEN TO LOCAL BUSINESS

WASHINGTON— Beginning next Wednesday, installment buyers will find credit terms as easy as before the war—or easier—unless sellers decide to be stricter than the Government requires.

The Federal Reserve Board, taking an admittedly inflationary-type action in the wake of recent business declines, announced yesterday it is relaxing credit controls for the second time in less than two months. The board decided to:

1. Lengthen the present 21-month time limit for paying off installment purchases of cars, television sets, furniture, etc., to 24 motnhs, effective April 27.

(Before March 7, the board's control limit was 18 months. Before the war, board studies show, "typical" terms allowed by dealers without controls were 12 months for radios, phonographs and used cars, 18 months for everything else.)

2. Cut the cash downpayment to 10 per cent from the present 15 per cent for everything but autos—for which it remains 33 1-2 per cent.

(Before March 7, the downpayment on most goods was 20 per cent. Uncontrolled prewar days, the "typical" allowance by dealers was the same as that to be allowed under the newly relaxed terms, both for autos and other items).

3. Exempt from control requirements all articles costing under $100 At present, the exemption is for goods costing under $50.

The board's move to make control terms as easy as, or easier than, the uncontrolled terms of prewar days was expected to melt some of the Congressional opposition to extending control powers beyond June 30, when they are scheduled to expire.

Chairman Maybank, Democrat of South Carolina, of the Senate Banking Committee described the action as "a good idea." Maybank's committee will have to pass upon the proposal to extend control powers, as urged by President Truman and the Reserve Board.

Representative Patman. Democrat of Texas, one of the sharpest critics of the board's control terms (he said they were too strict and were slowing sales, particularly of autos) had said he would not object to extension if the time limit were made 24 months.

It appeared doubtful that all dealers would lower their terms to the extent authorized by the board this time. Board studies show that many, in fact, have been stricter than the Government required, even before the new control easing.

"Beautena" Must Make 250 Pounds In Four Months of Feeding

"Beautena" a jersey calf weighing only 133 pounds has been placed under a feed diet at Fuchs Bros. Feed store in Cameron.

The calf will be fed Purina Calf Startena for a period of four months and at the end of that time Beautena is due to have a more or less middle age spread for she is supposed to weigh 250 pounds.

Beautena can be seen any day munching away on Purina feeds. Fuch Bros. are demonstrating the value of their feed. The calf was purchased from Chamberlain's Dairy and is a Jersey. Jersels are not beef cattle so if little "Beautena" makes her weight mark within four months it will be a very fine demonstration of the value of Purina Calf Startena.

HEAVY RAINS FALL ON WATERSHED SUNDAY

Flood waters in Little River were Tuesday morning or sooner if expected torrents reach this area by normal flow.

expected to cover the lowlands by L. W. Smith, government weather observer, said early Monday that the river stage was 14.20 and rising rapidly. Logs and drifts indicated heavy insweep of waters from swollen creeks in the upper reaches of the channel west of Cameron.

Heavy rains on the Leon and Lampasas rivers in Bell county and west were expected to influence the flow here by mid afternoon or early Monday night.

Mr. Smith pointed out that overflow stage of the river at Cameron is 29.05 feet.

The Killeen area got more than 4 inches of rain between 1 p. m. and 8 p. m. Sunday.

According to information here Monday Lampasas had 3 inches and Moody in McLennan county, also on the watershed of Little River had 4 inches. Heavy rains had also fallen at Gatesville and in the country around Hamilton, all in the drainage area of Little River.

Temple had 3 inches and Belton more than 2 inches. At Granger and Bartlett in the shed of the San Gabriel river, heavy rains also fell.

The fall was very heavy between Rogers and Temple.

Cameron had 1.44 during the night Sunday.

In the bottoms along Little River in Milam county few plantings have been made. Except as to possible danger to livestock little or no damage would result from an overflow at this time of the year.

Julius Janicek of Route 3, Cameron is ill and in Newton Memorial Hospital.

Council of Church Women Held Meeting First Methodist Church

At an executive meeting of the Council of Church Women held this week at the First Methodist Church upon call of the president, Mrs. R. L. Lemons, plans were made for the annual May Fellowship luncheon. All of the church women in Cameron are urged to attend the luncheon which will be hld on May 6 from 12 noon until 2 o'clock. The meal and program which follows will be in one of the local churches to be announced later.

Freedom's Foundation with emphasis on the Christian home will be the theme for the meeting. Mrs. O. B. Harden will direct a pagenat. Persons who have "piggy" banks with contributions to the Leper work in the United States are asked to bring them to the meeting.

Mrs. Lemons presided over the board meeting which was attended by twelve women from the five churches represented in the council. Mrs. Franklyn Dusek, Secretary, read the minutes, and Mrs. W. O. Triggs gave an inspiring meditation.

The chimes which are played each morning at 9 o'clock by the secretary of the First Baptist Church are upon request of the council as a reminder to the women and general public to pause at that hour to offer prayers for peace.

U S NAVAL UNITS ON RUN OUT OF YANGTZE

A negotiated surrender of some 300 thousand nationalist troops in Nanking was reported under way at noon Monday as advance elements of the Red army reached the great city of some 5 million people.

Rapid developments in the unfolding war in China saw instructions issued to U. S. Ambassador Stewart to report to Washington as soon as possible.

Naval units of the United States were on the run out of the Yangtze river and the environs of Nanking. British naval units were still pinned down by red artillery.

It was said at noon that some 600 thousand Chinese troops under allegiance to the Nationalist government were preparing to surrender to the Red Army.

The position of the Western Allies was precarious throughout the troubled China area.

From where I sit ... by Joe Marsh

How We Licked The Parking Problem

For a while it looked like we'd have to put up parking meters. Folks working in town—including some of the store owners—were taking up all of the space along Main Street.

Farmers coming in to shop never found a place to park, and sometimes had to lug stuff a half mile or so. Some started to do their buying in other towns. Finally, store owners and farmers had a get-together—with the result that the empty field near the depot was fixed up for all-day parkers.

Now farmers get their shopping done comfortably, and the merchants have a better place to park than they had before. Just took a little friendly co-operation to make everybody happy.

From where I sit, most differences can be ironed out by just talking things over—maybe with a cup of coffee or glass of beer—and seeing the other person's side of it. Next time you have a problem or a little difference to settle, why not try just that?

Bright sun shining—new greenery showing—soft breezes calling you onto the highway—this is the season that Buick of yours was made for!

This is the time when you'll want to hear the sweet hum of its eager power, feel the lazy comfort of its easy stride, get the springtime feel of its thrilling action.

And you can have all that—with just a little attention to some simple things to shake the winter out of its bones.

Time to Spring Clean your Buick too!

For instance — the rusty sludge that has accumulated in your radiator should be cleaned out. Transmission and rear end may be low on lubrication, and should be checked. Crankcase oil should be changed to a summer grade.

The underside of your car has taken a lot of splashing on wet roads. Some of the chassis grease has been washed out, some of it fouled with mud and grit.

So it's time to drain out the dregs of winter. Time for a little of the knowing, loving care every Buick gets at the hands of our Buick-trained men, armed with Buick-developed tools, Buick-established methods, Buick-engineered parts.

It doesn't take long, doesn't cost much. But it goes a long way toward making old Buicks step out again like lively spring colts. How about stopping in—this week—to see about a spring rejuvenation for *your* faithful Buick?

Check your car--- Check accidents!

Driving is twice the fun when you have complete confidence in your car—when you know that tires, brakes, steering, lights and the like won't let you down.

Altogether, there are 10 points to be checked for safety on any car. Bring your Buick in to us for a thorough going-over before setting off on your spring safaris. We'll take the worry and fuss off your hands—so you can be carefree at the wheel.

Miss Gardine Mikulas And Clarence Hollas Are Married In Temple

The marriage of Miss Gardine Mikulas, and Clarence Hollas, son of Mr. and Mrs. Joe Hollas, of Cameron, was performed at an 8:30 a. m. nuptial high mass Tuesday at St. Mary's Catholic church in Temple.

The service was performed by Father A. L. Fuchs.

White gladioli and Easter lilies were used in the church and the bride was escorted to the altar by her father, who gave her in marriage.

The bride wore a white slipper satin gown, fashioned with a close fitting bodice. The key neckline was encrusted with a flower design of seed pearls and her only ornament was a rhinestone neckline with a small floral pendant. The long fitted sleeves were buttoned with self covered buttons as was the waist of the gown.

The full gathered skirt held by a cord, fell into a cathedral train. The bride's head dress was a coronet beaded in a design of pearls similar to that on the dress and from this cascaded a double finger tip veil bordered in fragile lace. She carried a shower bouquet of white carnations with white satin ribbons.

Miss Dolores Schreiber of Waco was maid of honor and Miss Virginia Bravenec of Temple and Miss Bernadine Kessler of Barclay were bridesmaids. They wore identical ruffled and off the shoulder frocks made of orchid dotted swiss. They wore shoulder length veils, fashioned with an upstanding ruffle framing the face and adorned with small purple flowers across the front of the head. Each girl wore a triple strand of pearls as ornaments and their flowers were colonial bouquets of pink carnations with mauve satin ribbons. They wore elbow length mitts of orchid dotted swiss.

The groom was attended by his brother, Ervin Hollas of Cameron, Johnny Ondrasek of Temple and Monroe Marek of Cameron.

A reception and wedding dance was held at Sefcik Hall at 5 p. m. for the family and friends of Mr. and Mrs. Hollas, with the Baca orchestra of Fayettville playing. The bridal couple led the grand march and the first dance followed by a dance with only the wedding party participating The third dance included all those present.

Mrs. Hollas has been employed at Scott and White Hospital for the past two years. Mr. Hollas is a farmer in the Cameron community where the couple will make their home.

The bride is the daughter of Mr. and Mrs. J. J. Martin and the bridegroom's parents are Mr. and Mrs. Earl Peck, Sr., of Cameron.

Dr. W. R. Hall, pastor, read the double ring ceremony and the nuptial music was rendered by the organist, Max McClaren, and the soloist, Miss Shirley Horstmann, sang "Always" and "Sweetest Story Ever Told".

Standard baskets of white stock and Easter lilies decorated the altar.

The bride, given in marriage by her father, wore a gown of white slipper satin with marquisette yoke, leg-o-mutton sleeves tapering to a point at the wrist. Her full length marquisette veil was attached to an embroidered tiara of seed pearls. She carried a Bible showered with white gardenias.

Mrs. Earl B. Wiggin of Austin, sister of the bride, was matron of honor. She wore a pink net dress over satin, fashioned with high yoke and scalloped neckline. Her hat was a garland of pink carnations, which matched the colonial shower bouquet she carried. Miss Jean Edmonds was bridesmaid. She wore blue net over taffeta in similar design with a garland of pink carnations and colonial shower bouquet.

Billy Black served the groom as best man, and the groomsman were Don Edmonds and Albert Frank Matula.

Mrs. Martin, the bride's mother wore a grey dress with matching accessories and a corsage of white gardenias. The groom's mother was dressed in green with black accessories and a white gardenia corsage.

For travel, the bride chose a lavender ensemble, and white gardenia corsage.

The bride is a gradaute of Yoe High School and is presently employed as assistant in the office of Drs. Watson and Bowman. The groom is a graduate of Yoe High School and is employed by the Milam Theatre.

After a wedding trip to Galveston, they will be at home at 504 N. Washington avenue.

"The Plunderers" At Cameron Thursday Is Fast Action Western

Those who seek a good historical film with picturesque settings and fast action will be wholly appreciative of "The Plunderers," Republic's new Trucolor offering which stars Rod Cameron, Ilona Massey and Adrian Booth, scheduled to bow in at the Cameron Theatre Thursday.

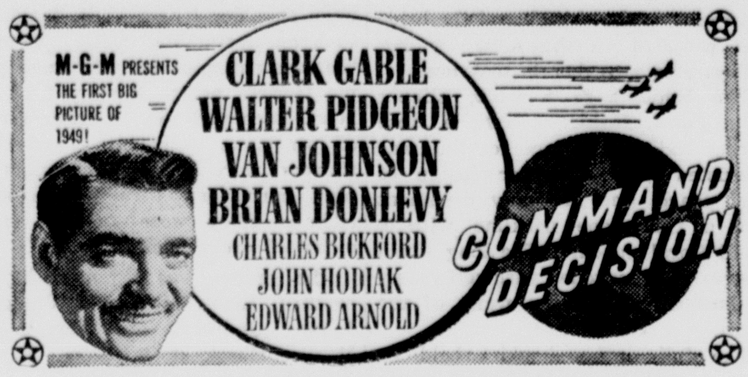

The story concerns romance and adventure set against the background of the troubled days of the Sioux uprisings in South Dakota long before that territory became a state. Rod Cameron plays the role of an Army Major who finds himself torn between his friendship for an outlaw and his sworn duty to bring his friend to justice. Forrest Tucker convincingly plays the role of the outlaw who, like his friend, has a strange sense of honor and loyalty, and is himself torn between love and hatred.

The women in the case are Ilona Massey portraying a music hall singer in love with Cameron, and Adrian Booth, seen as a girl who loves not wisely, but too well, for her sweetheart is the outlaw whom Cameron is honor-bound to take prisoner. The emotions of the four principals build up to a poignant climax, making "The Plunderers" a stirring drama that will not soon be forgotten.

Mention should be made of the fact that "The Plunderers" was Republic's choice for the initial use of its own color process, Trucolor, in a big-budgeted production.

Leader Department Store Installs New Air Conditioning

The Leader Department Store now managed by Mrs. Joe Luce is occupying the stage of buying interest this week with bargains that have the new look in economy.

The Leader has completed installation of a new air conditioning system, it was announced to-day by Mrs. Joe Luce, manager of the store.

The system, one of the most modern in this part of the state is a Worthington unit, large and powerful. It can be controlled to any suitable temperature and this system will enable the people of Cameron and surrounding territory to shop in comfort and get relief from the sun, heat and humidity of the streets in summer.

The Leader is well pleased with results as a new arvertiser in this newspaper and customers can get copies of the Daily Midget at the store.

The new air conditioning unit was installed April 1. The unit supplies cool and odorless clean air at all times. The well known shopping advantages of the store were never better emphasized than in the current sale.

Mrs. Bill Williams of Freeport visited her parents, Mr. and Mrs. Earl Angell a few days this week.
